Cylinder and Engine, the best used in these islands. We were just out of Tropic Oil when the "Iolani" arrived with a small lot to keep us going till December. We have two hundred and twenty-five barrels on the way now, which will arrive at different times between December and March and we do not propose to run short of Tropic stock the coming sugar season if we can help it. That it is a good oil and satisfactory is shown by the great increase in demand each season.

We have testimonials from many of the best known engineers in these islands, but if you have not tried the oil a barrel of each will convince you quicker than any number of letters can.

Tropic is made to sell, but it is also made to use and we are not afraid to have it tested. Your money back if a trial barrel don't prove good oil. Tropic for sale by the gallon, or barrel, at

Bloody Fighting Between  
Indians and Soldiers.

Troops Repulsed With Loss—in an Isolated Locality—Night Battle—Indian Report.

ST. PAUL, Oct. 6.—A dispatch from Walker, Minn., says:  
A boat from the scene of action has just arrived. Fighting is still progressing. Maj. Wilkinson, one sergeant and three privates were killed and eight wounded. Kay Bay Gway Tish, chief of the Indian police, was killed. It was impossible to bring the wounded to town, and the Indians kept up a constant fire on the boat. A special train with 200 additional soldiers will arrive here at 2 p. m., and the reinforcements will be transferred to the scene of action as soon as possible. Not more than four Indians have been killed and only two wounded.

Capt. Sheehan, head deputy United States Marshal, arrived on the boat with a flesh wound in the abdomen and one in the right arm. He says the Indians do not number more than 100, but that they fight as only demoniacal savages can. Unless overpowered by superior numbers not one of them will quit fighting while he has any breath in his carcass. They are holding out now with the hope that the Cass Lake Indians will come to their assistance. If they should arrive before reinforcements are received, the soldiers will have a desperate time of it. After the reinforcements get there, it will take two hours to embark them and two hours more for them to get to Sugar Point, therefore they will not be able to give much assistance until daylight Friday. The newspaper correspondents are all right.

MINNEAPOLIS, Oct. 6.—A special to the Journal from Walker says:  
"I have just met an Indian named Mah Ge uuh Bo, who came over from Bear Island in a canoe at 3 a. m. He says the loss of the whites is ten killed and fifteen wounded. He denies that the troops have been wiped out, but says the Indians have had the best of it. Their loss, he claims, does not exceed five killed and wounded. The force with Bacon is probably safe, and more encouragement is felt about it. I have other information that there are fifty dead Indians within a mile of the landing."

WAR INVESTIGATION.  
NEW YORK, Oct. 4.—A special to the Sun from Washington says: The War Investigation Commission today heard in part its first witness, and the developments demonstrated the soundness of attitude assumed by the President and Secretary Alger that the investigation of the war in the Santiago campaign and in the management of the camps and hospitals would show that the greater part of the criticisms, published and private, were unfounded.

Gen. Wheeler told of the operations of the division under his command in Cuba, and of his observations and experiences at Camp Wikoff, Monaca Point. The plan of campaign in Cuba, he thought, was preferable to another which had been suggested.

QUEEN IN A RUNAWAY.  
LONDON, Oct. 5.—Queen Victoria, her daughter, ex-Empress Frederick of Germany, and Princess Adolphe of Schaumburg-Lippe had a narrow escape from death while driving at Balmoral, Scotland, on Monday. The coachman lost control of the horses and a serious accident was only avoided by the horses turning into the woods, where the carriage stuck between the trees. The members of the royal party were severely shaken up and much alarmed, but not injured.

CHINA'S EMPEROR.  
PARIS, Oct. 5.—The Chinese Legation here publishes an official communication formally denying all reports of the death of the Emperor of China.

LONDON, Oct. 5.—The Chinese Embassy here is in receipt of advices from Peking, dated today, saying that great harmony prevails between the Emperor and Dowager Empress.

SUGAR FIGHT.  
NEW YORK, Oct. 5.—The American Sugar Refining Company made another reduction in its prices today. All domestic grades were reduced 1-8c, bringing granulated sugar down to 5 1-8c.

It is reported that Howell & Co., representing the National and Mollenhauer (opposition) refineries are quoting granulated sugar at 5c.

Bowler vs. Lucas.  
John F. Bowler began suit last night against Thomas R. Lucas for damages in the sum of \$1,000 and to recover an old claim of \$2,315.55 with interest on a part of it at 9 per cent. per annum. The debt, according to the complaint, was contracted May 20, 1892. One-fifth of the amount, or \$462.31, is covered by a note. Damages are claimed for continued refusal to pay. Humphreys & Gear are attorneys for plaintiff.

Attorney-Attorney Smith announced the death of Judge Hitchcock in the Circuit Court yesterday morning.
